*The Graduating Class of 1981
would like to dedicate the
yearbook in honor of two
special people in our college
community...*

*To Sister Karen Kenney,
for enabling us to
receive a very "special" education.*

*To Carol Sawyers,
for enhancing the
social growth of
St. Joseph's students.*

*Good morning yesterday,
You wake up*

and time has slipped away

*And suddenly it's hard to find
the memories you left behind,*

Remember...

Do you remember...the laughter and the tears,

the shadows of misty yesteryears?

*The good times and the bad you've
seen and*

*all the others in between,
Remember...*

*Do you remember the
times of your life?*

*Reach back for the joy and the sorrow,
Put them away in your mind*

*For memories are time that
you borrow, to spend*

*when you get to
tomorrow...*

*Here comes the
setting sun,*

*The seasons
are passing
one
by
one,
so*

gather moments while you may

*Collect the dreams
you dream today*

Remember...

Heavenly Spectrum

I know He hears -
I see His sign,
the ancient promise of His love.
A rainbow
like a bridge of faith
that takes my prayers to Him above...
And when the world
grows cold and dark
with storms that catch me unaware,
My hopes,
like rainbows,
part the clouds
and seek the Light
I know is there.

-Richie Tankersley

This must be heaven
Cause here's where the rainbow ends
At last it's the real thing
Or close enough to pretend
When that wind blows
and the night starts to fall
I can hear the silence call
It's a certain sort of sound
With the rain fallin' down...

Well, it's been heaven
Even rainbows will end
Now my sails are filled
The winds are with me
And I'm good as gone again...

THE SEARCH

I went to find the pot of gold
That's waiting where the rainbow ends.
I searched and searched and searched and
searched
And searched and searched, and then—
There it was, deep in the grass,
Under an old and twisty bough.
It's mine, it's mine, it's mine at last...
What do I search for now?

I hope today will be a lighter highway
for friends are found on every road,
Can you ever think of any better way

For the lost and weary
travelers to go.

Making friends for the world to see
Let the people know you've got
What you need.

With a friend at hand
you will see the
light,

if your friends
are there then
everything's
alright.

It seems to me a crime
that we should age,

These fragile times
